President's Newsletter

Another month and now the whole year has gone by. The Christmas potluck meeting is this month. Last year a good time was had by all. Every one brought a favorite dish and we got to try lots of different things.

This year we also have Officer Elections in December. We will be electing a new President, Vice-president, Secretary and Treasurer. Connie Cosman says she is willing to stay on as Treasurer, and I think we should let her stay. She does a great job and there is a learning curve for this position.

At the potluck dinner, nominations will be made and the election held. To keep our Charter we have to have these Officers.

We also need a food committee to prepare food at the Chapter Meetings and help with cleanup after, if we are going to continue to serve food at the meetings. I think the breakfast or lunch is a good thing for our group.

We also need people to send in articles for the newsletter. The newsletter is getting rather sparse in content. Any help will be appreciated.

The potluck will be where it was last year at Skypark Airport.

Woods Cross

It is the 3rd building on the left as you drive into the East side of the airport.

Please do not park on the Taxiway. There is a big lot across the street for any overflow if needed.

As usual we will have the January Banquet and it will be at the same place as last year. It is a must that we know how many will attend. If we have too little food, it won't be a successful meeting, and if we order too much food, Chapter 23 gets stuck with a large bill.
